

# OKA STRATEGIC FRAMEWORK: 2020 - 2030

To inspire nga tamariki to grow as confident and competent learners

## STRATEGIC PRIORITIES

### GROWING YOUNG LEARNERS

**A focus on quality ensures tamariki remain at the heart of all decisions**

**What we will see:**

- A commitment to quality teaching and learning
- A rich local curriculum
- Safe, healthy, sustainable and welcoming environments
- An inclusive and engaging culture

### STRENGTHEN KINDERGARTEN

**A focus on engagement within our communities**

**What we will see:**

- More children participating and engaging in kindergarten
- Serving more communities by assessing and removing barriers
- Purposeful and professional relationships
- Improved insight into the quality programmes we provide tamariki

### DYNAMIC ORGANISATION

**A focus on a progressive and sustainable organisation**

**What we will see:**

- An effective and sustainable strategic governing board
- A sense of identity and unity within our communities
- Long-term sustainability across OKA
- Honouring our bi-cultural heritage

## OUR VALUES

Success for every learner

Support every child, their whānau and our community

Accessible to all families without bias

Nurture leadership across the OKA community
