Be more involved in your child's learning

Storypark creates a secure online network of the people that matter most for your child. It helps working parents, far-away family, educators and specialists ensure children receive the best opportunities possible.

How does Storypark help my child?

- Deeper insights into your child's unique interests, needs and abilities allows better support and improved outcomes.
- **Improves communication** between educators and families.
- Enables educators to spend their time with your child more effectively.
- Helps your child define 'what's next' in their learning.
- Share movement, song, and creative expression through **audio** and **video**.
- Actively involves **grandparents, family and close friends**.

NEXT STEPS

1 Sign up and log in

Once you accept the **email invitation** from your child's teacher you'll be taken to a **sign-up** page where you can enter your name and **choose a password**. Storypark is an online service, so you can **log in** without installing software on your computer.

2 Invite family

Share your children's stories by **inviting family members** and close friends. Create a private network of people to share and support your child's learning journey.

3 Comment and create

Stories your child's teachers create will show up in your **child's profile**. Build understanding with teachers by **responding** to stories. Download the **Storypark Families app** and **log in to your account** to see your child's profile and start creating your own moments about your child.

Safe and private

- You manage who's invited to your child's storypark community
- In line with international online security best practices.

Free access for families

Access is free, for as long as you wish.

Storypark travels with your child throughout their learning journey.
